

At **Eighth Street Vision Centre** we thank you for your trust in us to provide excellent service and quality products for your daily use. You are never obligated to purchase eye-wear from us, but we believe we can provide you with superior service paired with excellent product. We are also confident that you will find our prices extremely competitive. Our patient care, knowledge, and expertise combined with our added services set us apart.

Glasses & Prescription Sunglasses

- **A 1 year unconditional guarantee** on all prescription eye-wear purchases
- **We will repair/replace your glasses at any time for any reason for 12 months.** No matter what happens to your glasses we will replace them (theft and loss are the only exception)
- Professional ocular measurements will ensure your glasses fit you properly and are optimum for your visual needs. Improper measurements can cause eye strain, headaches, and visual disturbances
- Adjustments of your glasses when you pick them up and anytime you feel they become out of alignment
- We have information to design the best lens for your own particular needs. Should you have any difficulties with the glasses we will personally take care of any of your issues
- Purchasing glasses from us keeps all of your vision needs in one place. Our records will show the dates of your last eye exam and last eyeglass purchase so you have an easy reference for insurance eligibility

Contact Lenses

During your contact lens fitting, we will assess your corneal health, lids and tear chemistry to design the most suitable lens and solution system for you. The fit includes initial fitting, insertion/removal and care training, all sample lenses, starter solution kit with case, and all follow up fitting visits. At regular visits, we will monitor the health of your eyes and quality of your vision. Lens material and solution will be modified as required.

Included Services

With the purchase of a one year supply of contacts, you will receive the following:
